

## Milestone Project 2 - Dashboard

\* Spotify data - Top 100 Songs of 2018

### 1) Strategy Plane

- information
- demographic - musicians, music technicians, most younger
- simple layout

### 2) Scope Plane

What does the user want: clear information, links to dataset, easily understood layout

### 3) Structure Plane:

- clean, dynamic charts, dashboard

### 4) Skeleton Plane:

- each chart has its own card, in rows of 3's or 2's or one alone. Filter at beginning, reset at the end

### 5) Surface Plane:

- dark greys and blacks, pop of Spotify green #1DB954
- mimic Spotify's theme
